**Subject: “Weekly Handholding Sessions for the ICT Curriculum”**

Sir/Madam,

The State Council of Educational Research and Training (SCERT) and Directorate of Technical Education (DTE) has successfully completed the Training of Teacher’s for the newly developed ICT Curriculum for standards VI to VIII. To ensure quality of instruction at school level, it is imperative that the teachers are constantly guided and mentored on a regular basis.

**Weekly hand-holding sessions have been planned to train these computer teachers starting from November 2021 to March 2022.**

The computer teachers will be trained by the Coordinator Teachers. Every coordinator teacher will be assigned a group of 5-10 teachers as a year round supervisor and mentor. The grouping has been done on taluka basis, wherein a Master Trainer leads the taluka level group.

All the Heads of the Institutions are hereby requested to take a note of the above and depute the concerned teacher(s) for the said training programme.

Yours faithfully

(Nagraj G. Honnekeri)
