**Sub: Regarding evaluation of coding competition entries**

Sir/Madam,

Based on the assessment of the competition entries for coding competition it has been found that a large number of entries submitted as part of the competition are not complete. Over 1106 entries cannot be considered due to the following reasons.

Incorrect Name: the file name does not mention identity of the student
N= SCRATCH file not submitted
Error= Scratch link not opening
Video= files submitted as video instead of scratch link
Cached file= incorrect format of submission
Request access: unable to access the SCRATCH file as schools have created own google drive folder
Empty file: the scratch link file doesn't contain project
Incorrect link: the shared link doesn't open the correct project

The list of entries which are not considered are enclosed herewith. For any further clarification, please contact Ms. Sania Sayyed, Project Management Unit – CARE, on Mobile No +91- 8698169328.

Yours faithfully,

(Nagaraj G. Honnekeri)
