Sub: "Goa - Codes 2023"- a Coding Competition based on Class VI Elective Curriculum for Academic Year 2022-2023 under Coding and Robotics Education in Schools (CARES) Scheme, Goa

Sir/Madam,

The Project Management Unit (PMU) - Directorate of Technical Education under Coding and Robotics Education in schools' scheme has launched the "Goa-Codes 2023" a CODING competition in collaboration with the Directorate of Education and State Council for Educational Research & Training (SCERT), Government of Goa to motivate the students undergoing the Class VI Elective Curriculum under the Information Communications & Technology (ICT) subject for standards 6th, 7th and 8th.

The objective of the competition is to provide a platform to the students to express their creativity with the help of the concepts learnt through the delivery of Class VI Elective curriculum.

The competition will be an amazing opportunity for students to develop and showcase their coding skills, design skills and most importantly, have a lot of fun! The Theme for the Competition is **"Automate Your Surrounding using Storytelling & Game Building"**.

Date of Announcement is 01/04/2023 & Last Date of Submission is 15/04/2023

Eligibility Criteria: Students of class 6 to 8 who have opted for Class VI Elective Curriculum

Therefore, you are requested to disseminate this information to all your school students and encourage maximum participation for this competition through the website www.cares.goa.gov.in

Your faithfully,

(Nagaraj G. Honnekeri)
