Subject: Nomination for Buddy Teachers for AY 2023-24 towards Regular Revised ICT Curriculum delivery

Sir/Madam,

The Project Management Unit(PMU) conducted a capacity building program towards delivery of Revised ICT curriculum for computer teachers under "Std VIII Regular Revised ICT Curriculum training for Buddy Teachers and Teach for Goa Fellows". PMU follows a peer learning model where a Mentor teacher (Buddy Teacher) trained by PMU in turn would train other computer teachers at various Handholding Locations as a hub and -Spoke method through a program called "Sumanacho Melavo".

The Handholding sessions for AY 2023-24 commenced on 22nd June 2023. The Handholding are conducted across 36 Handholding Locations across the state of Goa and 46 Mentor teachers (Buddy Teacher) are involved in the delivery.

Handholding play a very important role in the Capacity and skill building of the teachers, who will be profound in delivering the curriculum in their respective schools.

The Mentor (Buddy) teachers are an important last mile trainer to ensure the smooth transaction and delivery of the curriculum to every Computer teacher in Goa, spread across different locations.

To ensure the above, it is required that there is a spread of approximately 20% Buddy Teachers (Including previously self nominated Mentor (Buddy) teachers) in every taluka maintaining a favourable mentor-mentee ratio.
