

CIRCULAR

Software Tools Upgradation on SBC Devices supplied to schools under CARES Scheme

Project Management Unit (PMU) had supplied SBC (Single Board Computing) Devices under CARES (Coding And Robotics Education in Schools) Scheme, in all Government and Government-aided schools in A.Y. 2022-23.

These systems need to have software tools incorporating the PMU in-house developed software GOMantak Vishwa Integrated Development Network (GOVIN) along with other softwares, on the supplied Single Board Computing (SBC) Devices.

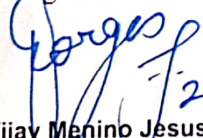

The Heads of Institutes of the Lead/ Cluster Schools are hereby requested to instruct their lab in-charges/ Computer teachers:

- (a) Back-up of all important data on the SBC Devices,
- (b) Install the required software tools required for the delivery of Elective Curriculum.
- (c) The software tools to be installed from the link <https://cares.goa.gov.in/govin-ide-setup/>. The installation manual is available on the link online.

For any technical queries, kindly contact Ms. Siddhi Parodkar, R&D Officer, PMU at parodkarsiddhi.caresgoa@gmail.com / +91 90499 86723.

We look forward to your kind attention and cooperation in this regard.

Thanking You

23/04/2024.
Dr. Vijay Menino Jesus Borges
Project Director - PMU
Coding And Robotics Education in Schools (CARES) Scheme
Directorate of Technical Education (DTE), Porvorim-Goa
