Sub: Towards Delivery and Installation of Robotics Kits to Lead Schools and Cluster Schools for Elective Curriculum - AY 2024-25

Ref: Circular "Software Tools Upgradation on SBC Devices supplied to schools under the CARES Scheme" vide No. DTE/BUD 21/CARES/ELECTIVE CURRICULUM - VI & VII DELIVERY / 2023/265, dated 24/04/2024.

Sir,

The Project Management Unit (PMU) is rolling out the Class VI Elective Curriculum for Class VI students and the Class VII Elective Curriculum for Class VII and Class VIII students for the academic year 2024-25. In this regard, PMU received willingness from 161 Government and Government-aided schools across Goa to become Lead Schools and support the Elective Curriculum delivery for the AY 2024-25. The remaining 281 schools are designated as Cluster Schools for AY 2024-25.

The number of Robotic Hardware Kits to be supplied to each Lead School is determined based on the ratio of SBC (Single Board Computing) Devices supplied through the CARES scheme to the Schools. Up to three Robotic Hardware Kits will be supplied to each Cluster School (non-Lead School) based on the number of students who opted for the Elective Curriculum from the Cluster School. This ensures that students from these Cluster Schools who have opted for the Elective Curriculum can reinforce their learning during or after school hours at their School premises. It is therefore requested that Heads of Institutes to encourage the same.

Please find enclosed the list of the quantity of robotic kits to be delivered to each of the approved Lead Schools (**Annexure A**) and Cluster Schools (**Annexure B**).

Heads of Institutes may kindly refer to the above-mentioned Circular and comply with the same on a high priority basis, as the compatibility of the systems is essential at the time of the Delivery and Installation of the Robotic Hardware Kits.

It is kindly requested to make the Government and Government Aided Schools aware regarding the Delivery and Installation of Robotic Hardware Kits to Lead Schools and Cluster Schools for Elective Curriculum and the needed actions from their end.

The detailed Delivery schedule of the Robotic Hardware Kits will be shared shortly.

Looking forward to your cooperation towards the needful from your end.
