The Director,
Directorate of Education,
Porvorim, Goa

Subject: ICT Elective Curriculum Awareness- Jagruktay sessions for AY 2025-26

Sir,

The PMU has been entrusted with the responsibility of providing Coding and Robotics classes under the Coding And Robotics Education in Schools (CARES) scheme, aiming to incorporate computational and design thinking abilities, along with programming, into school-level teaching in Goa. In the ongoing academic year 2024-25, with a team of over 67 Teach For Goa Fellows, classes are being delivered across 161 lead schools to more than 10000 students. For the upcoming academic year 2025-26, PMU will be conducting Class VI, Class VII and Class VIII elective curriculum in over 161 Lead schools across Goa.

SR NO	Elective Curriculum of Class	Classes Eligible
1	Class VI Elective Curriculum	Outgoing Std 5 Students of AY 2024-2025
2	Class VII Elective Curriculum	Outgoing Std 6 Students of AY 2024-2025
3	Class VIII Elective Curriculum	Outgoing Std 7 Students of AY 2024-2025 Outgoing Std 8 Students of AY 2024-2025

To encourage more participation in the elective curriculum it is required to create awareness amongst the students of all the Govt and Govt Aided Schools.

Towards the same the Teach For Goa Fellows would deliver *ICT Elective Curriculum Awareness- Jagruktay sessions* in all the Govt and Govt Aided Schools for Class V to Class 8 students of AY 2024-25. The sessions for students of each class would be for 15 minutes and will be slotted between the 05th Feb 2025 to 15th Feb 2025 during regular teaching hours. School authorities to make provisions of the facilitation of the *ICT Elective Curriculum Awareness- Jagruktay sessions*.

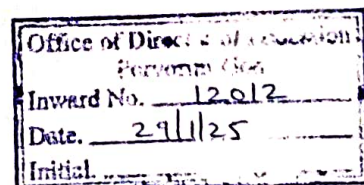

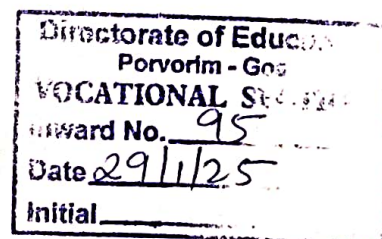

It is kindly requested to inform all the Government and Government Aided schools regarding the same.

Thank you.

Yours Sincerely

 28/01/2025
