Subject: Towards Cancellation of Elective Curriculum Classes on 17th January due to Felicitation Ceremony

Sir,

The Project Management Unit (PMU) - Directorate of Technical Education under the Coding and Robotics Education in Schools Scheme successfully organized the "Goa Codes 2024" Coding Competition, which attracted participation from over 4,000 students across Goa.

The competition was conducted in three phases. The final round, Phase III (State Level), was held on 20th July 2024 at Commercial Taxes, Rajya Kar Bhavan, Altinho, Panaji, Goa, where 12 teams representing their respective talukas competed. The top three teams were declared as the State Level winners.

To honor the winners at both the State Level and Taluka Level at the hands of Honorable Chief Minister of Goa, the PMU is organizing a Felicitation Ceremony on 17th January 2025, at 11.00am.

Presence of Teach For Goa-Fellows is required at this function to aid and facilitate the smooth functioning of the Program. In view of this Elective Curriculum class on 17th January will not be conducted. The same may be communicated to all the Government and Government aided schools.
