 The Director,

Subject: Intimation regarding Retrieval of Robotics Hardware Kits (RHKs) transferred to selected newly designated Lead Schools – as a Make-shift Arrangement – for the Delivery of Revised ICT Elective Curriculum for AY 2025–26 under CARES Scheme.

Ref. [1] Letter from Directorate of Education (DoE) No. DE/VOC/Coding & Robotics/1037/2025-26/24 dated 08.07.2025, addressed to the concerned Heads of Institutions (HoIs), informing them about the temporary deployment of the Robotics Hardware Kits.

Sir,

The Project Management Unit (PMU) under the Directorate of Technical Education (DTE) had earlier transferred 17 Robotics Hardware Kits (RHKs) from the PMU Office to selected newly designated Lead Schools for the Academic Year 2025–26, vide letter referenced at Ref. [1] above, as a *make-shift arrangement* to ensure the uninterrupted delivery of the Revised ICT Elective Curriculum under the Coding And Robotics Education in Schools (CARES) Scheme.

In view of the ongoing supply and delivery of newly procured Robotics Hardware Kits by M/s. Info Tech Corporation of Goa Ltd. (ITG) to these institutions, it is now necessary to retrieve the previously transferred 17 Robotics Hardware Kits (RHKs) from the respective Lead Schools.

The retrieval will be undertaken by the PMU team on or after October 20, 2025 (Monday) post the delivery of newly procured Robotics Hardware Kits. All necessary entries and updates in the register will be made accordingly.

The list of schools from which the 17 RHKs are to be retrieved is attached herewith this letter.
