Subject: Intimation regarding Transfer of Single Board Computing (SBC) Devices and Robotics Hardware Kits (RIHKs) to the identified Lead Schools – as a Make-shift arrangement - for the delivery of Revised ICT Elective Curriculum for AY 2025-26.

Sir,

The PMU had rolled out the Revised ICT Class VI and Class VII Elective Curriculum since AY 2022-23 under the Coding And Robotics Education in Schools (CARES) scheme. For the current Academic Year 2025-26, over **17,800 students** have enrolled for the Revised ICT Elective Curriculum for Classes VI, VII, and VIII across **205 nominated Lead Schools**.

The **Project Management Unit (PMU)** under the Directorate of Technical Education (DTE), through *Info Tech Corporation of Goa Ltd.*, had earlier supplied:

- **4,369 Single Board Computing Devices (SBCs)** and **445 Wi-Fi routers** to **442 Government and Government-aided schools**, and
- **2,444 Robotics Hardware Kits (RIHKs)** to **161 Lead Schools** to upgrade the existing ICT Labs to Robotics Labs.

Under this initiative to roll-out the Revised ICT Elective Curriculum, 442 Govt.- and Govt.-aided schools were provisioned with 10 SBCs, and during AY 2024-25, each **161 Lead School** was equipped with **12 RHKs**, while the remaining **281 Cluster Schools** were equipped with **01-03 RHKs**.

However, it has been observed that some newly designated Lead Schools do not have the required number of SBCs and RIHKs to meet the increased demand. While PMU has initiated the process of procurement of additional RIHKs (which is under consideration by the Government), a separate file will be moved shortly for the procurement of additional SBCs.

This is to inform you that as part of the implementation of the Revised ICT Elective Curriculum under the CARES Scheme for the Academic Year 2025-26, a make-shift

arrangement is being proposed to address the shortage of equipment in some newly designated Lead Schools.

A total of 17 SBCs and 18 RHKs will be temporarily deployed to the selected 35 newly designated Lead Schools as per the Annexure-I enclosed herewith this letter, to ensure continuity of the delivery of the Revised ICT Elective Curriculum in these schools.

The delivery is scheduled to begin on 09th July 2025 and continue through 21st July 2025, covering all the talukas.

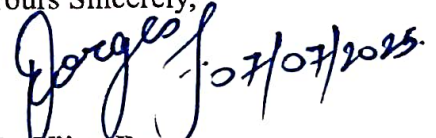

This deployment will be on a temporary basis, and the equipment will be retrieved once fresh procurement is completed. All necessary procedures, including deadstock entries and records, will be maintained.

We request that the Directorate of Education kindly inform the concerned Heads of Institutions (HoIs) regarding this transfer and extend the necessary administrative support to facilitate the smooth handover, installation, and utilization of the Single Board Computing (SBC) Devices and Robotics Hardware Kits.

Thank you for your continued cooperation.

Thank you

Yours Sincerely,

Dr Vijay Borges
