Sub: Commencement of Elective Curriculum Classes for AY 2026-27

Sir,

It is a pleasure to inform that the Government of Goa has notified the extended tenure of the Coding and Robotics Education in Schools (CARES) Scheme. The Project Management Unit (PMU), Coding & Robotics Education Schools Scheme (CARES), Directorate of Technical Education, Government of Goa, is therefore glad to inform you that the **Elective Curriculum Classes for the Academic Year 2026-27** for students of **Middle (Class VI, VII, VIII)** are tentatively scheduled to commence from Wednesday, 29th July 2026.

At the outset, we express our sincere gratitude for the unwavering support and cooperation extended by your institution towards the successful implementation of the CARES Curriculum over the last half a decade. Your continued partnership has played a significant role in the pioneering effort of designing and delivering Computational/Mathematical education across Government and Government Aided Schools in the State.

The details regarding the allocation of Lead Schools, student batches, session schedules, and the Teach for Goa Fellows (TFG-Fs) for the delivery of the Elective Curriculum at the respective Lead Schools will be shared shortly through a separate communication.

We also request you to disseminate this information among the concerned staff and students so that necessary preparations can be made for the commencement of classes.

For this Academic Year 2026-27 over 18000+ students have already registered. However, any students who has previously not enrolled and wanting to enroll for the Elective Curriculum 2026-27 can do so by visiting the link <https://cares.goa.gov.in/prerna/login/index.php> and register for the same. Seats will be allotted based on the availability.

We look forward to your continued cooperation and support.

Yours Sincerely,

 23/07/2026.
